Rural Hall Christmas 2014

Town of Rural Hall 22nd Annual Christmas Tree Lighting

The Town of Rural Hall kicked off its Christmas season on Thursday, December 4, 2014 with its 22nd Annual Christmas Tree Lighting. Performances from Ms. Verner's 3rd Grade Class directed by Ms. Farmer, Rural Hall Moravian Church choir, and the congregation helped foster in the holiday season with a sense of community. At the end of the program, Santa and his elves made a special appearance for all children in attendance.

The Christmas tree inside Town Hall was decorated with ornaments and garland created by the students of the Rural Hall Elementary School Art Department.

Town of Rural Hall Christmas Parade

On Sunday, December 7, 2014, the Town continued fostering in the Christmas holiday spirit by holding its annual Christmas Parade down Broad Street. This parade attracted close to 100 entries, ranging from local JROTC units and a marching band to humane societies to a vast variety of classic cars.

FOX8 Evening News Anchor Katie Nordeen served as this year's Grand Marshal. She and her husband were excited to be a part of such an exciting event and have looked forward to being in this parade for a while. Rural Hall greatly appreciates her participation in the Christmas Parade.

The Town of Rural Hall collected food products as part of the Second Harvest Food Bank food drive. In total, the Town collected 404 pounds of food items. Good job, Rural Hall!

Please join us next year for our Christmas events! Our 23rd Annual Christmas Tree Lighting will be held on Thursday, December 3, 2015 at 6 PM; the Annual Rural Hall Christmas Parade will be held that following Sunday, December 6, 2015 at 2:30 PM, weather permitting. The rain date has been set for Sunday, December 13 at 2:30 PM. Mark your calendars. We hope to see you next year!

Local Church Events

The entire community is invited to these events. Call the church number listed for service times and more details about events.

Disciples of Grace Ministries (969-0516) www.dgmministries.org www.wowwomenofwisdom.org

Locals Receive Medals at State Senior Games

Rural Hall resident Mo Roberts participated in the State Finals of the Piedmont Plus Senior Games from September 22-29, 2014 in Raleigh. While competing, Ms. Roberts participated in a wide variety of events and even placed in six of these events!

When competing, Mo placed in the following events:

- Horseshoes – 1st place
- Mixed Doubles Bowling – 2nd place
- Doubles Bowling – 1st place
- Singles Bowling – 1st place
- Football Throw – 3rd place
- Softball Throw – 3rd place

Nationals are held every other year. The next national competition will be held in July 2015 in Minnesota.

Local games are held in Winston-Salem. If you qualify here, you are eligible to compete in Raleigh in the State Finals. If you qualify in Raleigh, you are eligible to go to Nationals in Minnesota.

The Piedmont Cheering Hearts also competed in the State Finals of the Piedmont Plus Senior Games on September 25. These local cheerleaders won bronze in their event. Congratulations to these ladies on their outstanding achievements!

General Information

Curb Painting – Please note that it is illegal for a homeowner to paint or allow another to paint a house number or anything else on a curb. This is considered defacing government property and there are penalties associated with such.

Solicitations – Unfortunately, the Town is unable to prevent solicitors from knocking on your door; however, we are able to require that they obtain a solicitation permit. The permit issued by the Town **does not** endorse, support or solidify the solicitation. It does provide us with information regarding the solicitor, including a picture ID, contact information and the nature of their solicitation. If someone knocks on your door, ask to see their permit issued by the Town. Remember – you do not have to answer the door when they call upon you. If you are still nervous, call the Forsyth County Sheriff’s Office at 336/727-2112.

Bulk Items are picked up on Tuesdays. Items should be placed at the road, **behind the sidewalk**, by 7 AM on Tuesdays. Paint, tires, glass, TVs, computers, railroad ties and other hazardous items will **not** be accepted. **If items are small enough to be placed in the trash can, please bag them and place in the trash can.** The arm of the truck is unable to pick up small items.

Brush & Limbs are also picked up each Tuesday. Limbs should be no longer than 6 feet in length and no larger than 6 inches in diameter. Property owners with more than one load a week will be charged \$100 for each additional or partial load. Brush and limbs should be at the road, **behind the sidewalk**, by 7 AM on Tuesdays for service. **No contracted work will be picked up.**

Yard Waste such as grass clippings, small amounts of leaves, twigs, flowers, etc. should be placed in a yard waste cart. These carts can be purchased at Town Hall for a one-time fee of \$70. Once purchased, the cart becomes property of the homeowner and can be taken with you should you move. **Yard waste will not be picked up without a yard waste cart.**

Grass Clippings – When mowing your yards, please do not blow the grass clippings into the road. Not only is it unsightly, it flows into the storm drains. Just another **Stormwater Savvy** Tip.

Garbage Service is provided each Tuesday by Waste Management. Garbage carts should be placed at curbside by **6 AM** and removed by 7 PM each Tuesday. Garbage will only be picked up in approved Waste Management containers.

Recycling Service - Recycling is serviced bi-weekly. Please see page 4 for information about the new curbside, roll-out recycling program. Recycling carts are to be placed at the curb by **6 AM** and removed from the curb by 7 PM.

Missed garbage and recycling should be reported to Town Hall at 336/969-6856.

Service can be delayed due to weather conditions and/or holidays. Delays are posted at www.ruralhall.com.

Flag Purchases – Flags can be purchased for \$20 to honor/remember individuals to replace faded and worn flags flown along Broad Street and HWY 65 on special occasions.

Recycling Dates Highlighted Above

Rollout Recycling Guidelines

- Bi-weekly service (see calendar to the left)
- No sorting or separation needed
- Cardboard needs to be broken down
- Loose, shredded paper must be placed in completely clear bags – no Wal-Mart, Food Lion, etc. bags
- Front of cart must face street
- Lid must be closed completely or cart will not be serviced
- Items placed on top or outside of the cart will not be serviced
- Only Waste Management carts will be emptied
- DO NOT pack materials into carts
- Leave a minimum of 5 ft. of space between recycling cart, trash can, mailboxes, etc.
- Do not place under low utility lines or tree limbs
- Place cart at curb by 6 AM
- Do not deface carts
- The following items are accepted:
 - o Plastic Bottles
 - o Phone Books
 - o Magazines & Catalogs
 - o Aluminum Beverage Cans
 - o Steel Food & Beverage Cans
 - o Aerosol Cans
 - o Newspapers & Inserts
 - o Glass Food & Beverage Jars & Bottles
 - o Junk Mail & Office Paper
 - o Cardboard Milk & Juice Containers
 - o Aluminum Pie Tins & Foil
 - o Corrugated Cardboard
 - o Chipboard/Paperboard (usually gray or brown inside)

Town Staff Achievement

The Town of Rural Hall has always taken pride in its employees when such great achievements are reached. We extend our congratulations to Receptionist Marlena Lawson for receiving the District Director of the Year Award from Delta Sigma Pi. Miss Lawson has been the Town’s Receptionist since June 2012.

On Saturday, October 18, 2014, Marlena received two awards from Delta Sigma Pi, a co-ed business fraternity.

She received the District Director of the Year Award for the 2013-2014 school year for both the Mid-Atlantic Region (which covers the states of North Carolina and Virginia) and the Southern Province (which covers the entire Southeastern United States). She was also in the running to receive the award for National District Director of the Year, which she did not win.

Marlena has served as District Director for Xi Sigma Chapter at Wingate University, her alma mater, since September 2013. She has been a brother of Delta Sigma Pi since November 2008.

When asked about her thoughts on receiving this award, Marlena commented the following: “Receiving this award has been a true honor, especially since 2013-2014 marked my first year of service as District Director. I could not thank enough the amazing group of students I work with for helping me and supporting me during my first year as I adjusted to this role.”

Marlena has been appointed as of July 1, 2014 to serve as District Director for Wingate for a second term. Her term is due to expire on June 30, 2015.

Recycling

There are many free recycling options now available to the community. With so much interest in protecting our earth and reusing items, we are providing you with several recycling options. Some of these options are now being offered due to landfill bans that have been imposed over the past few years.

Batteries – Rechargeable batteries can be recycled at Lowe’s Home Improvement and Home Depot.

Cell Phones – Old cell phones, once service has been terminated, can be donated to a local charity or recycled at one of the following locations: AT&T, Best Buy, LG Electronics, Office Depot, Sony Ericsson, Sprint, Staples, T-Mobile and Verizon Wireless.

Compact Fluorescent Bulbs (CFLs) are banned from landfills due to their mercury content. The bulbs can be recycled at Home Depot, Lowe’s Home Improvement, and

3RC-EnviroStation. Mercury exposure is very dangerous. Broken bulbs should be cleaned up and disposed of properly. Visit <http://www.epa.gov/mercury/spills/index.htm#fluorescent> to learn more about the proper disposal. Any time one pound or more of mercury is released into the environment, it is mandatory to call the **National Response Center (NRC)**. The NRC hotline operates 24 hours a day, 7 days a week. Call 800/424-8802. Note that because mercury is heavy, only two tablespoons of mercury weigh about one pound.

Pictured above – Recycling bin located at Lowe’s Home Improvement for recycling of CFLs, rechargeable batteries and plastic bags.

Junk Mail – North Carolina’s Division of Pollution Prevention and Environmental

Assistance has developed a list of tried-and-true methods to help eliminate junk mail.

- Visit www.dmchoice.com to send a message to bulk mailers to remove your name off mailing lists.
- Major credit bureaus, Experian, Equifax, Inc., Innovis and Trans Union Corp. can be reached at one telephone number: 888/567-8688, or visit <http://www.optoutprescreen.com>.
- For unwanted catalogs, visit www.catalogchoice.org.
- To stop free papers that might be showing up in your mailbox or piling up in your driveway, visit www.stopfreepapers.org.
- Fill in and return opt-out privacy cards from financial organizations. Financial organizations are now required to provide customers with opt-out privacy cards so you can request that your name be removed from their bulk mailing lists.
- Call those “800” numbers provided on catalogs and other bulk mailings to request your name to be removed from mailing lists.

Oil & Oil Filters can be recycled at Rural Hall Automotive and Advance Auto.

Plastic Bags – Most chain stores, including Food Lion, Wal-Mart, and Lowe’s Home Improvement accept plastic bags including dry-cleaning bags, bread bags, and wraps from paper towels, bathroom tissue, napkins, diapers and newspapers.

Televisions, Computers and Computer Equipment - These items can be taken to the 3RC-EnviroStation. Call 336/784-4300.

Wooden Pallets are accepted at A&J Pallets in Rural Hall. A&J Pallets is located at 121 Anderson Road just off Broad Street. Call 336/969-0265 to find out how you can recycle your pallets.

Yellow Pages Opt-Out – Want relief from unwanted phone books? Visit www.yellowpagesoptout.com, a one-stop clearinghouse to stop receiving telephone directories. This is an official website of the Yellow Pages Association and Association of Directory Publishers. This is a product of negotiations between several organizations and government agencies across the country, including North Carolina.

Christmas Trees

The Town of Rural Hall will be collecting Christmas trees after the Christmas holiday. **Christmas Trees** can be placed at the curb for pickup on Tuesdays. All decorations and lights must be removed from the tree.

Monthly meetings are held at Mayflower Seafood Restaurant the 3rd Tuesday of each month at 12:30 PM. Guests are welcome at a nominal fee of \$10 and potential members are welcome to try the first time free. Lunch is included. A schedule of meetings is currently being determined and will be announced at a later date.

RHABA held its annual 10K Run on Saturday, October 25, 2014. Altogether, a total of \$5,187 was raised for Rural Hall Elementary School, making this the second-largest contribution to the school ever! A check was presented to Mrs. Diamond Cotton, the Principal of Rural Hall Elementary School.

Crisis Control Ministries

Crisis Control Ministries invites preschool children, students K-5, and their families to join the Wee Care! cereal drive during the month of March 2015, which coincides with National Nutrition Month. The donated cereal will be distributed by the Ministry's food pantries to hungry families experiencing financial crises. Our food pantries in Winston-Salem and Kernersville serve almost 300 families a month. Last year, over 2,000 boxes of cereal were collected by caring students in nearly 50 schools!

By participating in Wee Care, you will provide opportunities for young children to engage in a worthwhile community service project.

Resources available on the Wee Care! website at www.crisiscontrol.org/weecare give you access to curriculum materials with suggested activities and books to support the importance of giving back to the community and choosing nutritious foods. Parents can also find information so they can participate in this special activity with their children and receive nutrition information and tips to encourage healthy food choices.

If you are interested in helping out with the Wee Care cereal drive, please visit www.crisiscontrol.org/weecare for more information.

A collection bin and poster will be delivered to participating schools at the end of February. Donations will be picked up by Crisis Control volunteers the week of March 23, just before Spring Break. You can also schedule a time to deliver donations to our Food Pantry and have your students tour Crisis Control.

If you have any questions, please call Lucy Shaffer-Doherty at 724-7875, ext 1040, or email lshaffer-doherty@crisiscontrol.org.

Living Well

As of December 1, 2014, the Living Well has relocated to Northridge Baptist Church at 7911 Ketner Farm Road. We will continue to offer our regular programs each month. Stop by and visit us at our new location.

Feb 24: 7 PM, Family Movie Night "Ruby Ridge"

Mar 24: 6 PM, Western Movie Night

Special Dedications

Town Clerk Dora Moore won the 2014 Clerk of the Year Award from the North Carolina Association of Municipal Clerks (NCAMC) in August 2014. As a part of winning this award, NCAMC planted a tree at Town Hall. In November 2014 with a short ceremony in her honor.

In order to honor the volunteers that have given the Town of Rural Hall their time and efforts during the 2013-2014 year, the Town of Rural Hall purchased a bench with a personal engraving in honor of all who have helped the Town within the past year. This bench is located at Town Hall.

A Walkable Community

The Town of Rural Hall continues to be the recipient of grants whereby we can build additional sidewalks for the community. These sidewalks not only make the community look pleasing, they also provide a safe area for pedestrians. More and more people are utilizing the sidewalks and many positive comments have been shared with the Town.

With the use of the sidewalks, there are also concerns. Please help us keep the sidewalks clear of any obstructions including leaves and brush. Also, place solid and yard waste carts as close to the edge of the sidewalk as possible.

The sidewalks are a great way to participate in our *Get Smart, Get Moving!* program that begins again in April 2015. The program is flexible, non-restrictive, and promotes increased physical activity and overall

general wellness, allowing participants to contribute to the program by ANY means of exercise and at any location preferred. The Town of Rural Hall is excited about this program and hopes it gives the community the motivation and opportunity to be creative in implementing activity into their lifestyle.

The next phase of the sidewalk construction will hopefully begin during Spring/Summer 2015. Sidewalks will be constructed along Highway 65 from Runningbrook Lane to Forum Parkway on the south side only.

Rural Hall Fire Department News

Home fires are more prevalent in the winter than in any other season due in part to an increase in cooking and heating fires. Also contributing to the increased risk are holiday decorations and winter storms. Winter storms can cause people to turn to alternative heating sources.

Some types of fire related hazards present during and after a winter storm are:

- ❖ Alternative heating devices used incorrectly
- ❖ Damaged or downed utility lines
- ❖ Water damaged appliances and utilities can be electrically charged
- ❖ Frozen water pipes can burst
- ❖ Leaking gas lines, damaged or leaking gas propane containers, and leaking vehicle gas tanks exploding or igniting
- ❖ Generators used inside emit odorless, CO fumes that quickly overwhelm individuals
- ❖ Smoke alarms dependent upon your home's electrical service may not have battery back-up
- ❖ Smoke detectors not installed on every level of the home
- ❖ Debris blocking fire hydrants –delaying response
- ❖ Candles - keep flames away from combustible items and out of the reach of children
- ❖ Combustible liquids like gasoline, lighter fluid and paint thinner should be placed in well-ventilated areas

BE WARM AND SAFE THIS WINTER

- ❖ Keep anything that can burn at least three-feet away from heating equipment
- ❖ Have a three-foot "kid-free zone" around open fires and space heaters
- ❖ Never use the oven to heat your home
- ❖ Have heating equipment and chimneys cleaned and inspected annually
- ❖ Turn portable heaters off when leaving the room or going to bed
- ❖ Use the right kind of fuel as specified by the manufacturer for fuel burning space heaters
- ❖ Make sure fireplaces have sturdy screens to stop sparks from flying into the room. Ashes should be cool before placed into metal containers. Keep containers a safe distance from your home.
- ❖ Test smoke alarms monthly
- ❖ Install and maintain CO alarms to avoid risk of CO poisoning.

Winter Weather Reminder

As we are in the winter months, please refrain from on-street parking! On-street parking makes it difficult, sometimes impossible, for our snow plows to scrape the streets. If you have any questions, please contact Town Hall at 969-6856.
